

New Kaiju X Marmit Vegetius Release

BOSTON, MASSACHUSETTS, July 23, 2008: **Kaiju Big Battel**, the world's only live monster wrestling spectacle, announces the release of its latest monster figure (Vegetius), produced in collaboration with **Marmit**, Japan's leading manufacturer of vinyl monster toys.

This brand new, beautifully painted Vegetius vinyl, featuring the Kaiju's beloved feral beast will debut at **San Diego Comic Con** on July 24th. In addition to the original green variant, which is available in the Kaiju.com online mall, a limited-edition of 50 glow-in-the-dark figures will be exclusively available at San Diego Comic Con.

The new-fangled Vegetius vinyl figure is being sold for \$65 and stands approximately 12 inches tall.

For more information about this release, contact press@Kaiju.com.
